

COMPRESSPORT®
OFFICIAL SUPPLIER
OF THE 2026 HOKA UTMB® MONT-BLANC

COMPRESSPORT® is proud to support the HOKA UTMB® Mont-Blanc as the **official compression supplier** for the 13th consecutive year.

In a few weeks, the **international elite** of trail running will joyfully gather once again for this 23th World Summit of Trail Running.

As it has been for the past 13 years, **COMPRESSPORT®** will be **present throughout the event**.

Discover the UTMB® 2026 Limited Edition Range...

Training SS Tshirt M & W

This versatile and stylish short-sleeve t-shirt provides superior comfort during everyday training.

3D Thermo Seamless Hoodie Zip

The hoodie is very comfortable thanks to its ultra-light and breathable fibers. It can be worn on all occasions, even for a chic and urban look.

Free Belt Pro

Minimalist, comfortable, and ultra-light, it is designed to carry everything you need without any bouncing.

PRS V4.0 Trail

These high-tech trail running socks protect, absorb shocks, and support the feet during the most difficult off-road challenges.

R2 3.0

These compression calf-sleeves increase stability and reduce shock wherever you're running.

Ultra Trail Socks V2

High-protection trail running sock with clever cushioning and wraparound ankle support for optimal stability and comfort during ultra-marathon races.

The products of the UTMB® 2026 range will be available at the official UTMB World Series tent and on the COMPRESSPORT e-shop.

A Collaboration and an Increasingly Active Participation Year After Year

COMPRESSPORT® will support all those who have the pleasure and privilege of wearing a bib for this new 2026 edition.

- Monday, August 24 to Friday, August 28, 2026

Stand **COMPRESSPORT®**

The entire COMPRESSPORT® team will be pleased to welcome runners to their stand to equip, advise, and encourage them.

Coffee Shop Couloir x **COMPRESSPORT**

Designed as a **space for connection and shared experiences**, it welcomes spectators, runners, and accompanying family members to celebrate both the event and the brand together.

A true activation hub, the coffee shop will host morning runs, product testing sessions, a photo exhibition, and offer a bespoke COMPRESSPORT-themed menu, including an exclusive signature sandwich.

Location: 204 Avenue Michel Croz – Chamonix

- Wednesday, August 26, 2026

at 9:00 AM - **Morning Run**: open to all, the traditional morning run will take place with many athletes and will be followed by a friendly and balanced breakfast. Departure: Ultra Trail Village Fan Experience.

at 10:20 AM – **Athlete Presentation**: athletes will be present to share their last-minute pre-race advice. Meeting point: Ultra Trail Village Fan Experience.

From 4:00 to 5:00 PM – **Compression Talk**

Arnaud Ménétrier, Scientific Director, will be present to unveil the secrets of compression before, during, and after the effort. He will (re)introduce how innovative products can optimize performance and reduce the risk of injuries. Meeting point: Ultra Trail Village Fan Experience.

- Friday, August 28, from 8:00 PM – **Les Contamines**

The entire **COMPRESSPORT®** team will be in Les Contamines to cheer on the UTMB® runners. All supporters are welcome to join us, share this special moment, and bring the energy to one of the liveliest spots along the course.

COMPRESSPORT® Athletes ...

at the start of OCC...

Lorenzo Beltrami (ITA) lines up for the OCC ready to test himself against one of the fastest and most competitive fields of the week. The Italian has built a reputation through consistent performances in mountain races across Europe and will be aiming to showcase his climbing strength for his first attempt at the 57km journey from Orsières to Chamonix.

at the start of CCC...

The CCC features a strong lineup led by **Thérèse Leboeuf (SUI)**, who takes on the iconic 101km race for the first time. After establishing herself over shorter mountain ultras with impressive performances, the Suisse athlete now steps up to one of trail running's most prestigious distances.

Completing the trio is **Hélio Fumo (POR)**, who returns to the distance after successfully finishing the UTMB on his last two appearances, bringing valuable endurance and experience back to the CCC.

at the start of YCC...

Lena Lupsa
Slovenia – 19 years old

Lena returns after winning the YCC in 2024.

Gerard Lopez Serra
Spain – 18 years old

Gerard arrives in exceptional form after adding the Zegama Junior title to an already impressive season.

Kieran Hardie
Scotland – 18 years old

Kieran returns for his second YCC appearance, looking to build on the experience gained during his debut last year.

at the start of ETC...

Sofia Chetelat
Switzerland – 21 years old

Sofia arrives as the newly crowned Swiss Junior Trail Champion.

Lisa Delacroix
France – 20 years old

Lisa returns looking to improve on her 18th-place finish from her ETC debut last year.

Jonas Oliva
Switzerland – 20 years old

Jonas steps up to the longer race, ready to test himself against Europe's best.

COMPRESSPORT® athletes will be equipped with products from the TRAIL SS26 range.

Feel Free Bra

Ultra-soft, irritation-free endurance sports bra with a seamless design and athletic support to aim for the very top.
